

Story Time in Pre K

In Pre K, parents are invited in to visit the class and read a story on their child's birthday.

First Grade Math

First graders are learning new addition skills and strategies. They had fun practicing with addition bingo!

Art Class News

The Kindergarten is learning about primary colors in art class. Grades one and two are exploring how secondary colors are made when the primary colors are mixed together.

8th Grade Debate

The 8th Grade read *The Giver* by Lois Lowry over the summer which looks at an alternative society where feelings, traditional families, weather, and color do not exist. The students participated in a class debate over whether Sameness, this alternative society, was a humane form of government versus our own society.

Second Graders are Saddling Up

The 2nd graders are “saddling up” for new and exciting learning adventures this year. They just finished reading their first chapter book, Frog and Toad Together! They are also writing autobiographies.
